00:40:23 Marnie Raeside: I can see implementing Gayle's ideas, using as a free challenge to build an audience (starting at zero) and using as a lead magnet as well. I am just getting my business started and much of the focus will be based on mindset and money blocks. This is an easy fit.

00:41:21 Gayle Rachford: Marnie, consider starting to learn about Stories in Instagram and Facebook. These are very helpful for starting to churn up an audience.

00:41:51 Gayle Rachford: I have to HIGHLY recommend doing the Professionals Program with Kim.

00:42:01 Kim Serafini: THANK YOU Gayle ;)

00:42:16 Marnie Raeside: Thanks, Gayle. Ears are wide open...

00:44:51 Pattie Craumer: Hi, Gayle and Audrey. I get so much more out of every Positive Prime session I watch because I have a deeper understanding of what's going on. For me this brings brilliance to my everyday session watching, including my own!

00:46:27 Gayle Rachford: Yes, Pattie! AND we get to watch each-other's sessions and have that added benefit of learning from one another during the time of the course.

00:47:09 Gayle Rachford: Making your own session is THE BEST!!

00:47:14 Audrey Weidman: I cried when I first saw my session come to life. So much of myself went into it. It became real!

00:47:44 Pattie Craumer: Audrey, I couldn't agree more!

00:49:05 Gayle Rachford: The program makes us BETTER coaches for our people. (our audience / our clients)
